

## Photograph Permission Form

We love to document the fun times that our little ones have during their time with us! We occasionally like to use these photographs for display within the center, display on the website, for art projects, or for advertising purposes.

I give permission to The Fox's Den ChildCare for my child(ren) to be photographed during activities while at The Fox's Den, and acknowledge that no compensation will be paid by The Fox's Den ChildCare or any third party to my child(ren) or to me or any other person on behalf of my child(ren) with respect to such use of my child(ren)'s images. I understand that these photographs and images, or reproductions of them, may be used by The Fox's Den ChildCare for promotional or advertising purposes, also without compensation by The Fox's Den ChildCare or any third party.
